The Financial Conduct Authority (FCA)

The FCA is the independent watchdog that regulates financial services. Please use this information to decide if our services are right for you.

Who regulates us?

Meadons Insurance Brokers Ltd is authorised and regulated by the Financial Conduct Authority. Our FCA number is 305537. You can check this at www.fca.org.uk or by contacting the FCA on 0800 111 6768. Our permitted business is advising on, arranging and assisting in the administration and performance of a contract of insurance. We are also authorised and regulated to carry on credit broking.

Our Service

We are an Independent Insurance Intermediary and as such we act as the agent of our clients. However, in certain circumstances we may act for and owe duties of care to other parties. We will advise you when these circumstances occur so you will be aware of any possible conflict of interest. We will advise and make a recommendation for you after we have assessed your insurance needs. If we are unable to make a recommendation or offer advice or where your requirements cannot be fully met we will provide you with enough information to enable you to make an informed decision. We will assist you in effecting any changes that you need to make to your insurance policy, with the renewal of your insurance policy and with any claim you need to make. We are also a credit broker in that we introduce those wishing to pay by instalments to firms that are able to lend money under a regulated credit agreement by way of business.

Whose products we offer?

In the majority of cases we will carry out a fair analysis of the market in order to identify a suitable product. This means that we will compare products from a sufficiently large range of insurance providers in terms of cover, price, quality of service and other relevant features in order to select appropriate policies for you. If this is not the case we will advise you of the breadth of our marketing prior to inception of the policy.

If competitive credit terms are not available through your Insurer, we may be able, as a credit broker, to offer credit terms through a premium financing company. We only use Premium Credit Ltd. You have the option of sourcing your own credit agreement.

Remuneration

We receive commission from insurers, which is a percentage of the premium paid by you and allowed by the insurers.

In addition we may charge a professional fee to cover the placing and ongoing handling of your insurance. We normally make the standard charges:

For New Business and Renewals:

Premiums, under £300 a fee of £10

Premiums, between £300 and £1,000 a fee of £25

Premiums, between £1,000 and £5,000 a fee of £50

Premiums over £5,000 a fee of £100

From time to time depending on the work and risk involved, it may be necessary to charge greater fees. The specific amount and purpose of any professional fee and administration charge will always be advised to you in advance. We earn the entirety of our commission and/or fee when your risk is successfully placed and take our commission and/or fees immediately upon receipt of payment unless agreed otherwise with your insurer.

Disclosure of Earnings

You are entitled at any time, to request information about earnings that we, or any other intermediary we have used, received as a result of placing your business. In addition to commission from insurers, we may also receive payments based on volumes of business or profitability of the account placed with them. These payments can vary from year to year. Such remuneration is only earned on the basis that it does not detract from our obligation to act in our clients best interest at all times.

Payment Terms

We normally accept payment by cheque, BACS or debit card. A 1.5% charge will be levied for payment by an individual's credit card and 2% charge will be levied for payments by a company's credit card. Unless otherwise agreed, we require full payment of the premium before cover is effected. You may be able to spread your payments through a credit scheme, either run by your insurer or by a finance provider and as a credit broker, we will advise you further if these options are available.

How we will handle your money?

Our statutory Trust account has been set up in accordance with strict rules laid down by the Financial Conduct Authority. We are the Agent of insurers for the collection of certain premiums and hold your money on a risk transfer basis. In arranging your insurance we may employ the service of other intermediaries who are Authorised and Regulated by the FCA and your premium maybe passed to these intermediaries for payments in insurers. Any interest or investment, or investment returns, earned on you money whilst in our possession will be retained by us.

Mid-term adjustments or cancellations

In the event of an adjustment that results in a return of premium or cancellation mid-term we will refund the premium due net of our full commission and any charge made by insurers. Where the premium is being paid by instalments we will claim our full commission along with any charge made by the insurers in the calculation of any outstanding monies.

We reserve the right to charge the minimum fee as below

For Mid-term adjustments whether additional or return premiums:

Under £100 a fee of £5

Between £100 - £500 a fee of £10

Over £500 a fee of £25

For Cancellations

Under £100 a fee of £5

Between £100 - £500 a fee of £10

Over £500 a fee of £25

Cancellations due to premium instalment default

If any credit agreement is not met, you acknowledge and agree that we may instruct on your behalf the relevant insurers to cancel the insurance and to collect any refund or premium which may be made by the insurer and use it to offset any outstanding costs.

Cancellation of the insurance policy will mean there is no cover in force should a claim occur.

Insurers

Whilst we take every care to check the financial stability of any firm with which we place business, we cannot be held responsible if that firm subsequently ceases to trade.

Treating Customers Fairly (TCF)

We set high standards for ourselves and it is our intensions treat customers fairly at all times. We have appointed Mr Neil Hancock to oversee TCF within this firm. If at any time you feel that you have not been treated fairly please contact us in order that the matter may be addressed.

Financial Sanctions

Financial Sanctions Orders prohibit a firm from carrying out transactions with a person or organisation who has had financial sanctions imposed on them (known as the **target**). In some cases the order will prohibit a firm from providing any financial services to the target including advice. Her Majesty's Treasury (HMT) maintains a list of targets known as the UK Consolidated Financial Sanctions List (HMT List)

The aim of the list is to ensure that financial institutions and firms do not aid these individuals and organisations in the transfer or manipulation of funds.

In the UK it is the HMT that is responsible for ensuring compliance with the financial sanctions obligations and not the FCA. However, it has been stated that having in place systems and controls relating to financial sanctions is an integral part of complying with the FCA's requirements on financial crime.

Meadons Insurance Brokers Ltd uses sanctions checking software to meet its obligations.
